Borrower information requirements

- ✓ Loan Application Form and Statement of Position, signed by the borrowers or a director of the borrower entity, and for any guarantors.
- ✓ Signed Privacy Consent and Authority and Declaration for each borrower and any guarantors. Advisor forms may be accepted with Xceda approval.
- ✓ AML/CFT documentation (photo ID and proof of address) as requested by Xceda.

Exit strategy

- ✓ Applicant's detailed exit strategy for loan repayment at maturity to be provided.
- ✓ If loan term exceeds borrower age of 65, confirmation of age of retirement and viable exit plan to be agreed at time of approval.

Property Information & Valuation policy

- ✓ Acceptable titles: Freehold, Cross-lease, Unit title.
- ✓ A Registered Valuation (RV) must be used, unless an exception applies.
- ✓ RV to be on an "As Is" basis to be addressed to: Xceda Finance Ltd. Valuer must be acceptable to Xceda.
- ✓ RV to be dated within 3 months from the loan approval date and not greater than 6 months from the loan settlement date.
- ✓ LVRs for capitalised interest loans are calculated on the total loan balance amount as at the loan maturity date.

EXCEPTIONS

Sales & Purchase Agreement is acceptable instead of a Registered Valuation if:

- the loan is not greater than \$1,000,000;
- the sale was pursuant to a market sale (i.e. conducted by a public process) and must not be between related parties; and
- the contract must be dated within 3 months from the loan settlement date.

E-Valuations from a third-party provider (i.e. Corelogic, Valocity) may be accepted instead of a Registered Valuation in the following circumstances:

- Can only be used in major centres: Auckland, Hamilton, Tauranga, Wellington, Christchurch, Dunedin, Queenstown.
- The medium or middle range valuation amount must be used.
- Dated within one month of the loan settlement date.
- Can be used up to 70% LVR for first mortgage loans up to \$1,000,000.
