We have some exciting news to share. We have rebranded!

In this month's Investor Newsletter we are proud to announce that Asset Finance is now Xceda Finance.

For the past 25 years Xceda Finance has been offering investment and lending products to New Zealanders with a core focus on customer service and responsible lending practices. Starting out in a small office in Whakatane back in 1989, we have been growing steadily ever since and we thought that it was about time to find a name that reflected this growth!

Why did we choose 'Xceda'? Xceda (pronounced "X-See-Da") is a derivation of the word 'Exceed' which reflects our commitment to offering quality services.

Xceda Finance - Let us help you to exceed your expectations. The new name also aligns us with our affiliate financial services provider in Australia, Xceda Capital.

Australia Dollar Secured Term Deposits Now Available

Xceda Finance is now able to offer investment rates for Australian Dollar Term Deposits. See the rates available above left.

The AUD Term Deposits operate in the same way that our existing NZD Term Deposit operates, other than the interest payments which are only offered quarterly (or compound quarterly).

The AUD Term Deposits are a great way for New Zealanders to earn extra income if:

- (i) you hold AUD in existing New Zealand or Australian banks accounts,
- (ii) you earn AUD income from your job or other investments, or
- (iii) you generally have an AUD investment strategy in your portfolio.

Please see our Product Disclosure Statement for all terms and conditions.
